

Vx CAPITAL
PARTNERS

An experienced leasing partner for regional airlines

Established in 2002 by Will Hudson and Bob Brown, Vx Capital Partners is a **boutique aircraft leasing platform** that has deployed **\$1.5B** in capital and served more than **40 customers** worldwide.

GLOBAL EXPERIENCE ACROSS AIRCRAFT TYPES

25 years of technical experience delivering aircraft worldwide, navigating complex jurisdictions and managing engine and airframe MRO relationships to serve our airline customers.

FOCUSED TURBOPROP STRATEGY

Currently acquiring and leasing turboprop aircraft, with a particular focus on the Cessna Caravan and Pilatus PC-12. Open to a variety of deal structures, including naked aircraft purchases and sale-and-leasebacks. Potential for spare engine and other technical support during the lease term.

DEEP AVIATION EXPERIENCE

Team of aviation professionals who average more than 25 years of industry experience, pairing deep aviation knowledge with excellent customer service.
